FEES FOR NEW HOOKUPS AND RECONNECTION OF WATER SERVICE-08/29/2014

Vacant Lots:

The fee for a new connection is \$12,000 plus any future special assessments as set by the Glenbrook Water Coop Board. The current amount covers the two special assessments for the water plant and the plant upgrade that have been assessed to the community. This fee is to be paid at the time of a request for a 'will serve' letter. The annual water dues will commence at the time the 'hot tap' is made to the GWC water line and will be prorated for the year in which the connection is made.

Voluntary Disconnect:

Less than 1 year: To reconnect a Voluntary Disconnect water service that has been shut off for less than a year, a reconnection fee equal to 1/2 the annual dues for the disconnected property and the entire annual dues for the year in which the reconnection is made will be charged and any unpaid special assessments and any other costs associated with the disconnect or reconnection, will be required to be paid in full before the water will be turned back on.

More than 1 Year: To reconnect a Voluntary Disconnect water service that has been shut off for longer than a year, a reconnection fee equal to 1 1/2 times the annual dues for the disconnected property and the prorated annual dues for the year in which the reconnection is made will be charged and any unpaid special assessments and any other costs associated with the disconnect or reconnection, will be required to be paid in full before the water will be turned back on.

Disciplinary Disconnect:

Less than 1 Year: To reconnect a Disciplinary Disconnect water service that has been shut off for less than a year, a reconnection fee of 1/2 the current annual dues for the disconnected property and all unpaid annual dues, unpaid special assessments, legal fees and any other costs associated with the disconnect, reconnection or collection of the unpaid bill plus a security deposit equal to one year's current annual dues for the property and the annual fee for the year in which the reconnection is made will be required to be paid in full before the water will be turned on.

More than 1 year: To reconnect a Disciplinary Disconnected water service that has been disconnected for more than a year, a reconnection fee of 1 1/2 the current annual dues for the disconnected property and all unpaid annual dues, unpaid special assessments, legal fees and any other costs associated with the disconnect, reconnection or collection of the unpaid bill plus a security deposit equal to one year's current annual dues for the property and the prorated yearly fee for the year in which the reconnection is made will be required to be paid in full before the

water will be turned on.

Special Connection Conditions: Any special connection or reconnection issues will be dealt with on a case-by-case basis.
